## Esthetics Contest

Each team will be allowed 30 minutes to complete the Facial Procedure. When time is called the team doing the hands on will stop working and leave the area. The next team will start their procedure and “so on” until all teams have participated.

When all teams have completed their “hands on”, while judges are completing their evaluation, each contestant will be guided to the written test area. They are given 45 minutes to complete the written test.

PLEASE NOTE: These time allotments are calculated on a starting time of **8:00 a.m.**

**8:30 am – 8:45 am** Orientation

**8:45 am the first team will start the Facial** and will be allowed a total of 60 minutes to complete the entire procedure.

After the facial the contestants will have 60 minutes to apply make-up to their model.

Make-up should consists of :

- Foundation
- Cover-up
- Powder
- Eye shadow
- Eye liner
- Mascara
- Blush
- Lip-liner
- Lipstick

When time is called, the first team will stop working, the next team will start. This will continue until all teams have competed.

The written test will be given to all competitors when the last team has finished the hands on portion. They will be given 45 minutes to complete this section of the contest.
