

SkillsUSA Maryland 2018 State Championship Advertising Design Contest Update

Students competing in the 2018 Advertising Design state competition are encouraged to use computers provided at the contest venue (Mac Lab with Adobe Creative Cloud 2015), however, to more closely align to the 2018 national contest standards, students can provide their own computer/software. Refer to the Advertising Design 2018 Technical Standards important details regarding equipment supplied by, and allowed for, contestants.
