

**SkillsUSA Maryland State Championship  
Health Knowledge Bowl State Contest  
Saturday, April 13, 2019  
Sollers Point Technical High School  
Contest Update**

All students competing in the SkillsUSA Health Knowledge Bowl state competition are expected to review and understand contest rules, provide all materials listed as “supplies by the team”, and adhere to “clothing requirements” as outlined in the SkillsUSA Health Knowledge Bowl 2019 Technical Standards. This document is available to all SkillsUSA Maryland Professional members (ie. instructors, chapter advisors, etc.).

The following reference materials were utilized in the development of the 2019 state contest:

- “Healthcare Science Technology,” by Kathryn A. Booth
- “Diversified Health Occupations,” by Louise M. Simmers
- National Health Care Skills Standards
