

Chandler Kerr – SkillsUSA Maryland Member, National Gold Medalist and International Top Ten Champion!

Chandler Kerr, PrintED Program of Study completer, graduate of the Center of Applied Technology North, Severn, MD, and two-time SkillsUSA national gold medal winner represented the United States in the 2017 Worldskills Print Media Technology competition in Abu Dhabi, United Arab Emirates, October 15-19, 2017. Kerr, finishing 9th place in the world, travelled with eleven other Career and Technology Education state champions from across the country to the 44th international event with 1,300 competitors and 100,000 student and public spectators representing 77 member countries and regions.

Chandler continues to reflect on this once-in-a-lifetime opportunity and is very proud to have represented SkillsUSA, “Team USA” and SkillsUSA Maryland.

Congratulations Chandler for an outstanding performance on the International stage!
